

Single crochet: (35-38 cm)

- Use Phentex yarn and 5mm hook
 - Start with 49 chains and make **48 stitches**
 - Do 56 rows [OR 28 double rows] and change colour
 - Check your square by folding it into a triangle.
Depending on you tension decide the # of rows.
 - Do plain one colour or create a design for the next square
 - If possible make 5 **squares** at a time, each square continuing onto the previous one, creating stripes, patterns or using your own design
 - Use yellow colour yarn in design not a full square
 - Use **INTARSIA** technique
 - Do not use Fair Isle technique because we want reversible crochet colourwork
 - No letters
 - Keep the yarn in the original bag and start from inside
 - Keep your own tension consistent
- For tips and any questions please email Emebet emebet@artwithpassion.ca
- Notes: - Different Phentex yarn colours are found in different stores
- Anyone who makes 5 or more squares will be recognized publicly
