

Our Crochet Size and details

Single crochet: (35-38 cm)

- Use Phentex yarn and 5mm hook
- Start with 49 chains and make 48 stitches
- Do 56 rows [OR 28 double rows] and change colour
- Check your square by folding it into a triangle. Depending on you tension decide the # of rows.
- Do plain one colour or create a design for the next square
- If possible make 5 squares at a time, each square continuing onto the previous one, creating stripes, patterns or using your own design
- Nature inspired design is encouraged
- Do not use Fair Isle technique because we want reversible crochet colourwork
- No letters

*Keep the yarn in the original bag and start from inside

*Keep your own tension consistent
